## USING THE COMMAND

1. Type **MDTReplaceBlocks** at the command line or press the **Replace Blocks** ribbon button.
2. Select block(s) to be replaced.
3. The Replace Blocks dialog box will appear. The dialog box lists all block definitions in the current drawing.
4. Select a different block definition from the list and press “OK”.
5. The selected block(s) will be replaced with the different block definition.
