INSIDE THE 2026 UPDATE

The plan is organized into four chapters and supported by five appendices. The table below summarizes what each chapter covers and what was updated to help you find the information most relevant to you as you review the draft plan.

HOW THE PLAN IS ORGANIZED

CHAPTER	What It Includes	What's Updated
1. Introduction	• MDT mission and ADA policy • Regulatory framework • Related plans and documents	• Current federal regulations, including the PROWAG final rule, Title II web accessibility, MUTCD 11th Edition • Newer MDT plans and guidance
2. Public and Stakeholder Outreach	• How MDT gathered input on the update	• Outreach for this update, including this virtual open house
3. ADA Program Methods	• 32 methods MDT uses to make its programs, rights-of-way, and facilities accessible	• Reflects MDT's reorganized program areas • Clarifies current practices
4. Plan and Schedule	• How MDT schedules and tracks ADA improvements	• New table of planned projects with ADA components • Reflects current reporting procedures

APPENDICES

- ✔ A: Summary of MDT Responsibilities Under Title II of the ADA
- ✔ B: Public and Stakeholder Outreach
- ✔ C: Scoring Report
- ✔ D: ADA Statement of Technical Infeasibility Form
- ✔ E: Progress Report
